

# Competition Details

## Test Format

SINGA MATH Competition is open to all students from grades K2 to 10/11 (Kindergarten 2 to Secondary 4): This competition is available in 2 options: paper or online. For online, we will require a laptop or tablet with camera, where contestants will log in to take the competition from our Online contest system and have a second device with video for us to ensure fairness. All the contest paper for different grades will have short answer questions.
